### DECISION OF CERTIFICATION CONCERNING VISUAL STRENGTH GRADING OF SAWN TIMBER

**Russian Wood Alliance Ltd**, Petrozavosk plant production of visual strength grading of sawn timber for CE-marking has approved to product certification by Finotrol Oy on 8<sup>th</sup> July 2016.

The decision of certification is based on the following inspection report;

- **Inspection report 367-1-2016 (Kari Kuhmonen, Initial inspection)**

The organization has committed to comply with required product quality documents, certification rules and other instructions concerning product certification of Finotrol Oy.

The required documents:

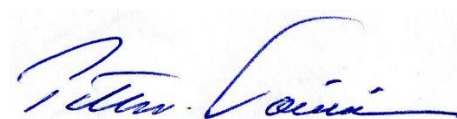

- **Standard EN 14081:2005 + A1:2011**
- **General Guidelines for Certification Procedure**

The decision is valid until further noticed. The decision can be cancelled temporarily or permanently, if the requirements of product quality control are not met constantly.

The list of the valid certificates is available at webpage [www.finotrol.fi](http://www.finotrol.fi)
